

Principal, Immanuel Christian School

Position Opening:

January 1 or August 1, 2018

Full Time

We are currently receiving applications to review in the fall of 2017.

Immanuel Christian School website: <http://icspei.ca/>

This is an exciting time to take the helm at Immanuel Christian School on beautiful Prince Edward Island in a wonderful new facility. Great leadership is required in this period of growth to help in our transition with the 2017-18 school year from a K-9 to a K-12 school, implementing a 21st century learning style and environment with the addition of our high school.

Immanuel is a well-established school, now in its 31st year, with a strong supporting Christian community, wonderfully dedicated teachers, a full-time office manager/administrative assistant, and a vibrant team already in place leading the development of the high school. Presently there are 115 students, with that number expected to increase to approximately 125-130 with the addition of the high school in September 2017, with continued growth in the years ahead.

Applicant must evidence a vibrant Christian faith and be a servant-leader with a high academic standard. This full-time position would include some teaching time (around 10%, assignment depending on area of expertise/interest of applicant).

Application must include: cover letter, resume, personal statement of faith, statement of vision for Christian education, and references. Please email inquiries to ICS Board Secretary/Chair Principal Search Committee, Christina Lehmann at clehmann@eastlink.ca.
